ACCESS LEGAL SOLICITORS

EDUCATION LAW BREAKFAST SEMINAR

Access Legal Solicitors is delighted to invite you to a breakfast seminar on legal issues for children and young people with special educational needs.

As clinical negligence specialists, you may be acting for children and young people who have suffered birth and brain injuries, resulting in varying degrees of disabilities. These children and young people will require assistance with their education, including specialist therapies and equipment, which, will need to be detailed in an Education Health Care Plan, to achieve the very best outcome for your client.

During this training session we will take you through the legal process, specifically the content of Education Health Care Plans and ensuring the plan is legally enforceable. We can also guide you as to how we can add to the value of the claim with our expert assistance.

The event is free of charge and includes a light breakfast of tea, coffee and pastries.

When: Thursday, 24 May 2018

Timings: 8 a.m. – 9.30 a.m.

Where: 6th Floor, 2 Colmore Square, 38 Colmore Circus, Queensway, Birmingham, B4 6SH

Please RSVP to gurvinder.samra@accesslegalsolicitors.co.uk ASAP.
